THE **7** HABITS  
OF  
HAPPY  
KIDS

A cartoon illustration of a porcupine named Pokey. He has a friendly face with large eyes and a wide smile. His quills are brown and stand straight up. He is wearing a red and yellow striped shirt and blue shorts. He is holding a harmonica in his right hand and has his left hand raised in a waving gesture. He is standing on a green lawn with a pink sky and green trees in the background. A ladybug is visible on a tree branch in the upper right corner.

# Pokey Porcupine

Pokey has lots of pointy quills that show what kind of mood he is in. When Pokey is sad, the quills are droopy. When he is excited, they stand straight up. Pokey is really laid back. He likes to lie around in his hammock all day and play his harmonica.

# Sammy Squirrel

From the day Sammy was born,  
he liked playing with gadgets  
and fixing everything in sight.

You will never spot him without  
a tool or two. Sammy and his  
twin sister, Sophie, live in a  
tree house, as all squirrels do.

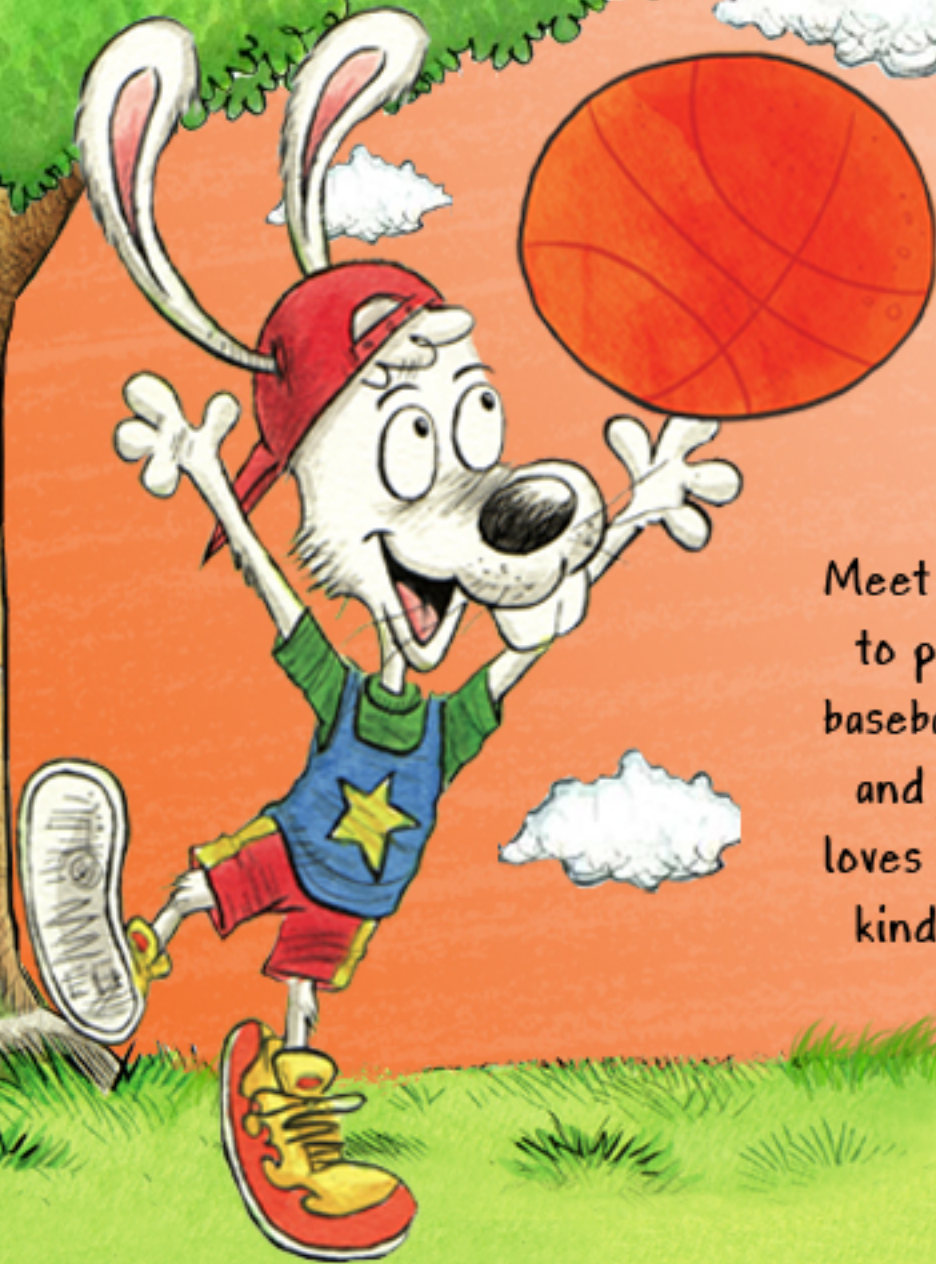

# Sophie Squirrel

Sophie is Sammy's twin sister. Her very favorite thing to do in the world is read. She also loves math. Sometimes she uses really big words that she has to explain to all her friends.

# Jumper Rabbit

Meet Jumper Rabbit. Jumper loves to play sports. He loves soccer, tennis, baseball, basketball, biking, swimming, and jumping—you name it. He also loves sneakers and owns all different kinds of pairs.

# Goob Bear

This is Goob Bear. He is the biggest kid in 7 Oaks—but he's also very friendly.

He loves the outdoors and all kinds of bugs. Ants are his favorite bug.

# Lily skunk

Lily is very crafty, especially for a skunk. She loves art.

Lily spends most of her time drawing and painting and making all kinds of things. She also loves her little brother, Stink.

# Allie Mouse

And don't forget Tagalong Allie.

She's a mouse. Allie likes to tag along with everyone else in the gang, especially her best friend, Lily Skunk. Allie lives with her granny and loves to dress up in Granny's shoes and jewelry.
